ACTIVITIES

CO-Editor of BRA News (student magazine)

Writing articles of events which are happening in the school or related. Actively participating in "brainstorming" the magazine. Editing and printing the magazine together with responsible editor. Familiar to certain software involved in making the magazine. Effectively deal with deadlines and working under pressure. BRA News is published six times a year and each issue is approximately 40-45 pages.

Committee member of Student Housing at Raviradantie, Mikkeli

Committee's task is to organize and implement free-time activities for residents of student houses at Raviradantie, which consists of 11 student houses and 400 residents. Activities are financed by Student Housing Company of Mikkeli. Annual given budget is approximately 5000 FIM.

Organizer of Large scale Video presentation in High School

Acquiring appropriate equipment and arranging the entire event. Taking care of advertising and various other tasks. Approximately 150 people participated to the event. Objective was to show self-made video movie to students and teachers of High School. Me and my team made that film by ourselves. Personally I took care of writing, editing, cinematography, producing and directing. Acting was skipped due to the other duties. Project took 5 months while studying.

Other activities in BBA:

Tutoring two Americans from Indiana University and two Finnish students during studies. This includes showing the necessary places in the area and telling about important procedures in the school. *Participating* on developing and organizing incoming parties to new students of the BBA. *Representing* BBA in local Education and Free Time Fair. Have also been giving a presentation of BBA-program in High School of Karhula to the students about to graduate. Briefing the teachers of the school concerning this program.
